BOTTLE TREE is committed to protecting your privacy. This Statement of Privacy applies to the BOTTLE TREE Web site and governs data collection and usage at all BOTTLE TREE sites and services; it does not apply to other online or offline sites, products or services. Please read this Statement of Privacy. Personal information of all users is collected, used and disclosed as described in this Statement of Privacy.

Collection of your Personal Information

As an E-commerce Web site, BOTTLE TREE collects personal information, such as your e-mail address, name, home or work address or telephone number, on behalf of our clients. Information collected by BOTTLE TREE is used for the purpose of selling tickets. BOTTLE TREE encourages you to review the privacy statements of Web sites you choose to link to from BOTTLE TREE so that you can understand how those Web sites collect, use and share your information. We are not responsible for the privacy statements or other content on Web sites outside of the BOTTLE TREE Web site.

Use of your Personal Information

BOTTLE TREE and its operational service partners collect and use your personal information to process ticket sales and deliver the requested services. It is possible that BOTTLE TREE or our affiliates may also use personal information to inform you of other products or services available from BOTTLE TREE and its affiliates. BOTTLE TREE may also contact you via surveys to conduct research about your opinion of current services or of potential new services that may be offered. BOTTLE TREE does not sell, rent or lease its membership lists to third parties.

BOTTLE TREE may, from time to time, contact you on behalf of external business partners about a particular offering that may be of interest to you. In those cases, your personal information (e-mail, name, address, telephone number) is not transferred to the third party. We occasionally hire other companies to provide limited services on our behalf, such as handling the processing and delivery of mailings, providing customer support, processing transactions, or performing statistical analysis of our services. We will only provide those companies the personal information they need in order to deliver the service. They are required to maintain the confidentiality of your information and are prohibited from using that information for any other purpose. BOTTLE TREE may access and/or disclose your personal information if required to do so by law or in the good faith belief that such action is necessary to: (a) conform to the edicts of the law or comply with legal process served on BOTTLE TREE or the site; (b) protect and defend the rights or property of BOTTLE TREE, including its Web site; or (c) act under exigent circumstances to protect the personal safety of users of BOTTLE TREE or the public. Personal information collected on this site may be stored and processed in the United States or any other country in which BOTTLE TREE or its affiliates, subsidiaries or agents maintain facilities, and by using this site, you consent to any such transfer of information outside of your country.

Security of your Personal Information

BOTTLE TREE is committed to protecting the security of your personal information. We use a variety of security technologies and procedures to help protect your personal information from unauthorized access, use, or disclosure. For example, we store the personal information you provide on computer systems with limited access, that are located in controlled facilities. When we transmit highly confidential information (such as a credit card number) over the Internet, we protect it through secure sockets layer (SSL) encryption technology.

Changes to this Statement

BOTTLE TREE will occasionally update this Statement of Privacy to reflect company and customer feedback. BOTTLE TREE encourages you to periodically review this Statement to be informed of how BOTTLE TREE is protecting your information.
